Section 1: Purpose of the Agreement

The purpose of this Agreement is to establish a mutual understanding, professional boundary, and strategic commitment between the Agency and the Client to collaborate and work together on future marketing, consulting, and digital development initiatives.

Section 2: Nature of the Relationship

- Collaboration:** The Parties agree to engage in joint discussions, consultations, and exploratory work to identify potential campaigns, marketing avenues, and areas of high-level collaboration.
- No Immediate Financial Commitment:** This foundational Agreement does not outline specific packages, campaign fees, or standard pricing. Any future projects involving financial commitments or deliverables will require a separate, detailed Scope of Work (SOW) or project invoice.
- Independent Contractor Status:** The Agency operates strictly as an independent contractor. Nothing in this Agreement shall be construed to create a partnership, joint venture, agency, or employer-employee relationship between the Parties.

4. **Non-Exclusivity:** This Agreement is non-exclusive. The Agency reserves the absolute right to provide digital marketing, consulting, strategy, and content creation services to other clients, including those within the same health, education, athletic, or geographic niche as the Client.
5. **Limits of Exploration:** Exploratory work under this Agreement is strictly limited to strategic discussions, consulting sessions, and campaign planning. No active content production, video editing, asset creation, account setup, or campaign deployment shall be executed by the Agency without a mutually signed Scope of Work (SOW) and a cleared financial retainer.

Section 3: Pre-existing Intellectual Property, Non-Solicitation & Confidentiality

1. **Pre-existing Intellectual Property:** Each Party retains all rights, title, and interest in any intellectual property, frameworks, proprietary curricula, digital materials, or concepts owned or developed by them prior to or independently of this Agreement.
 - Specifically, the Agency retains sole ownership of its proprietary marketing frameworks (e.g., the "Create Once, Post Everywhere" strategy), and the Client retains sole ownership of its curriculum, training programs, and branding. No license or transfer of such background IP is granted under this Agreement.
2. **Non-Solicitation:** During the term of this Agreement and for a period of one (1) year following its termination, the Client agrees not to directly or indirectly solicit, hire, contract, or engage any contractors, employees, creatives, or team members introduced to them by the Agency.
3. **Confidentiality:** Both Parties agree to keep strictly confidential any proprietary data, business strategies, pricing models, curriculum details, or sensitive information shared during discussions or exploratory work. This obligation shall survive the termination of this Agreement indefinitely.

Section 4: Term and Termination

1. **Term:** This Agreement shall commence on the Effective Date and remain in effect on a rolling basis until terminated by either Party.
2. **Termination Notice:** Either Party may terminate this Agreement at any time, with or without cause, by providing a strict twenty (20) calendar days written notice via email to the other Party.
3. **Financial Responsibility:** In the event of termination during an active, paid project cycle (governed by an active SOW), the Client remains fully liable to pay for all services rendered, hours logged, and milestones achieved up to the final date of the 20-day notice period.

Section 5: Billing and Payment Terms

These terms govern any subsequent paid engagements, campaigns, or projects agreed upon under this foundational relationship:

1. **On-Time Payments:** The Client agrees to remit all project payments promptly according to the due dates specified on individual project invoices or agreed Scopes of Work (SOW).
2. **7-Day Grace Period:** If a payment is missed or delayed, a maximum of seven (7) calendar days extra (grace period) will be granted from the invoice due date to clear the outstanding balance.
3. **Service Suspension:** If the balance remains unpaid after the 7-day grace period, the Agency reserves the right to immediately pause all active services, content publishing, strategy sessions, and ad campaigns without liability for any disruptions, reach drops, or penalties to the Client's marketing schedules.
4. **Fixed Compensation Protections:** The Client agrees to pay the exact, full amount promised and agreed upon in the active project scope or invoice. Under no circumstances shall the Client remit an amount less than the promised fee for completed or active cycles. If the Client requests any additional deliverables, platforms, or modifications outside the original agreement, such additions will be billed as extra fees; however, the baseline promised amount remains non-negotiable and must be paid in full.
5. **Net Capital Allocation & Fee Absorption:** All fees specified in this Agreement or associated Scopes of Work (SOW) represent net amounts to be received by the Agency. The Client is solely responsible for identifying, calculating, and fully covering all third-party processing percentages, international transaction fees, intermediary bank transfer levies, and currency exchange spreads imposed by the payment networks (e.g., Stripe, PayPal, or cross-border wire systems). The final cleared funds arriving into the Agency's designated business account must equal 100% of the promised invoice value in full, without any deductions or offsets.
6. **48-Hour Client Approval Window:** To maintain consistent publishing schedules and prevent workflow bottlenecks, the Client agrees to review and provide feedback or approval on all draft content, copy, strategies, or assets within forty-eight (48) hours of submission by the Agency. If no written feedback or requested modifications are received within this 48-hour window, the assets shall be deemed approved, and the Agency is authorized to proceed with publishing, scheduling, or deployment.

Section 6: Limitation of Liability & Disclaimers

1. **No Guarantees:** The Agency provides strategic consulting and exploratory guidance in good faith. No specific business growth, revenue increases, organic follower metrics, lead volume, or operational outcomes are guaranteed or implied under this foundational agreement.
2. **Cap on Liability:** In no event shall either Party be liable to the other for any indirect, incidental, special, or consequential damages arising out of discussions, strategic guidance, or exploratory work handled under this Agreement.

Section 7: Third-Party Platform Terms & Disruption Disclaimer

1. **Compliance with Platform Rules:** The Agency agrees to execute all marketing, content publishing, and ad management in good faith and in compliance with the terms of service of the respective third-party platforms (including but not limited to Meta, TikTok, YouTube, LinkedIn, Google, and Twitter/X).
2. **Limitation of Liability for Platform Actions:** The Client acknowledges that third-party platforms reserve the right to modify their algorithms, restrict API access, update ad policies, or implement automated account flags, restrictions, or suspensions at their sole discretion. The Agency shall not be held financially or legally responsible for any sudden drops in organic reach, ad account rejections, suspension of business managers, or platform downtime caused by these third-party actions. Such disruptions do not alter or reduce the Client's obligation to fulfill any active promised monthly payments or SOW milestones in full.

Section 8: Governing Law & Dispute Resolution

1. **Governing Law:** This Agreement shall be construed, interpreted, and governed entirely by the laws of India, without regard to its conflict of law principles.
2. **Dispute Resolution:** In the event of any misunderstanding, controversy, or dispute arising from this collaboration, the Parties agree to first attempt resolution through amicable, good-faith negotiations. If unresolved within thirty (30) calendar days, the dispute shall be referred to and finally resolved by binding arbitration in Pune, Maharashtra, India.
